From: Scott Morgan, Director
Re: SCH # 2020010055
Menlo Portal Project

The Lead Agency has corrected the Review Period to fulfill the 45-day minimum requirement for the review of a Draft EIR. The review period has been corrected to end on **April 14, 2021** instead of the original end date of March 30, 2021. All other project information remains the same.

The SCH apologizes for this oversight.
